

REMARKS

This application is the entry into the national phase in the United States of International Application No. PCT/GB2003/004783. That application includes a number of multiply dependent claims. Some of those claims are themselves dependent from other multiply dependent claims. As such a claim structure is not allowed in the United States, applicant takes this opportunity to remove all multiple dependencies from the claims.

Prompt and favorable examination of claims 1-8 is respectfully requested.

Respectfully submitted,

FAY, SHARPE, FAGAN,
